Press Release

Date: May 10, 2006

Calgary, Alberta:

Quests End is pleased to announce the joining of the Southern Alberta Chapter of the [Better Business Bureau](#) and the [BBB Online](#). By joining the BBB Associations, Quests End is able to offer the highest standard of business practices and ethical behaviour to its customers. You can be assured that by choosing Quests End as your Music Entertainment, the quality of the company is imbued not only in its service and equipment, but also in the business practices it undertakes on a daily basis.

Quests End (QE) is a Professional Mobile Disc Jockey company located in Calgary, Alberta. QE has been in business since 1987 and operating throughout Alberta, QE is a proud member of the [CDJA](#) and [CODJA](#).

QE operates with the highest quality sound and lighting equipment available to the industry while constantly striving to improve on its equipment and service standards.

QE's standard DJ rig is capable of a minimum 2100W using four speakers with separate amplifiers for true concert quality sound, and when setup with the lightshow, the entire setup becomes a mobile nightclub. See the Quests End website for more detailed information about the equipment used by the company for its performances.

Quests End's mission statement is:

"To offer our customers the highest quality professional sound and lighting equipment coupled with exceptional professional service and attention to detail".
